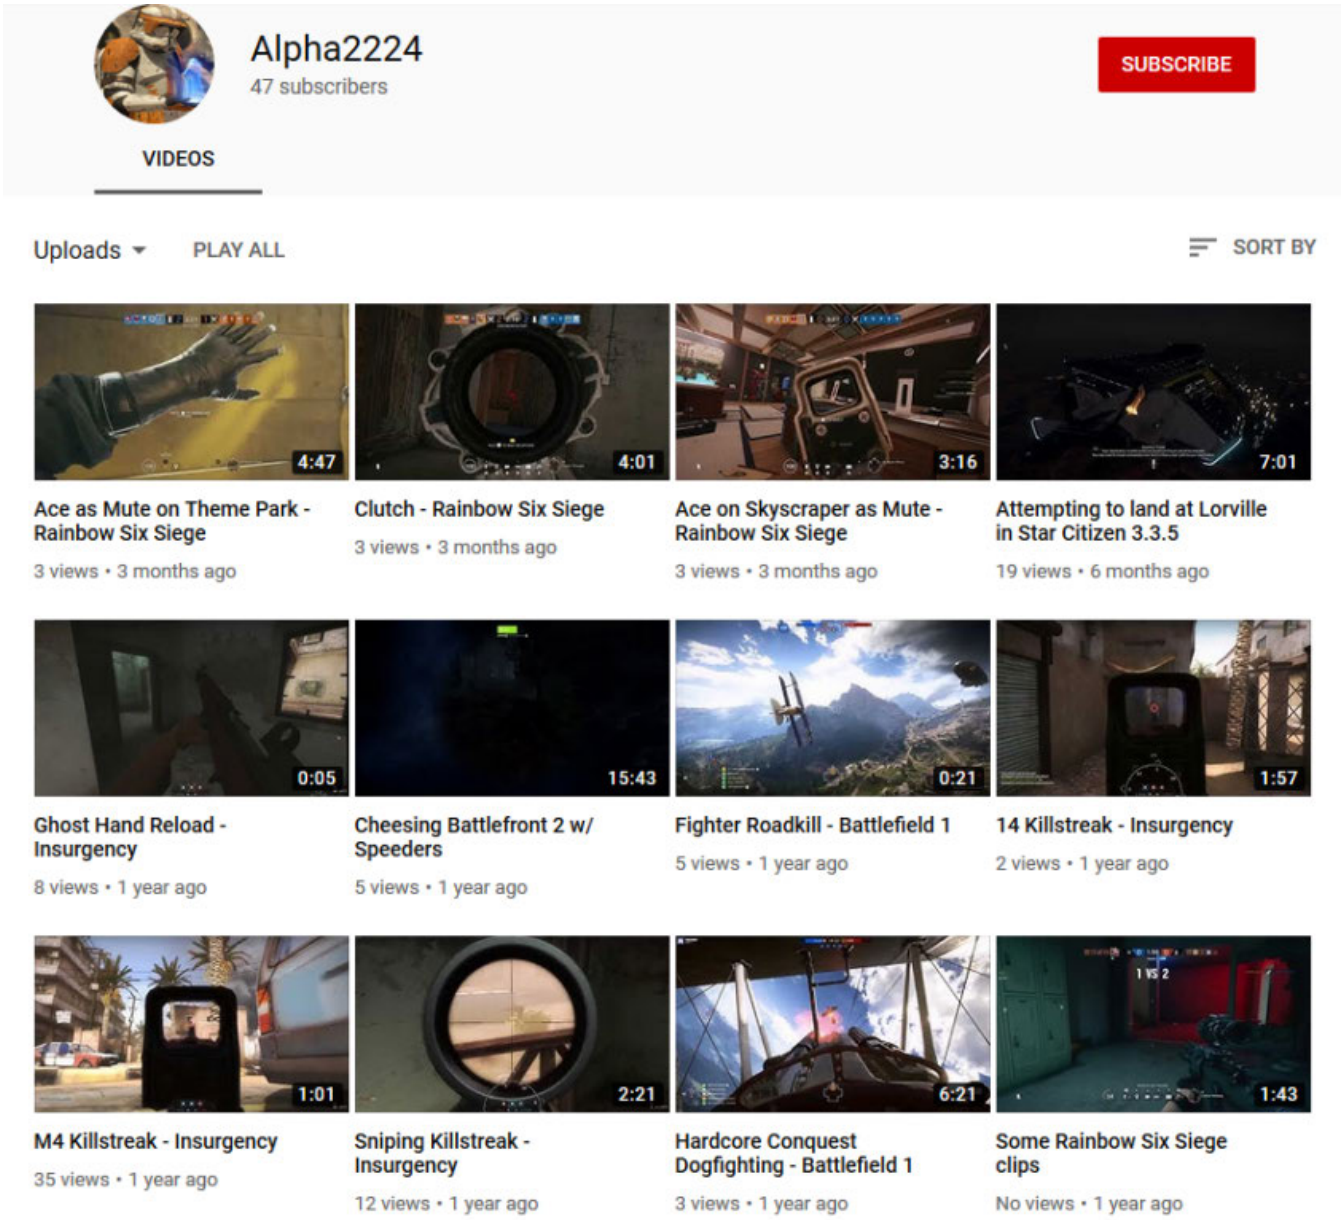
And of course, he's a gamer:



Ricky Golgart's YouTube account (Archive/Screenshot Archive) where he uploads dozens of poorly viewed gaming videos.

Richard recently changed his Twitter handle to @Fremont1844 (Web Archive/Screenshot Archive) where he retweets racists memes and interacts with AmIM leader Patrick Casey.

On Gab, Richard still goes by his old handle [@Mohave_Paisan](#) ([Web Archive](#)/[Following Archive](#)) and follows The American Nazi Party, [Richard Spencer](#), and Daily Stormer Founder [Andrew Anglin](#).

KRYSTA SCRIPTER

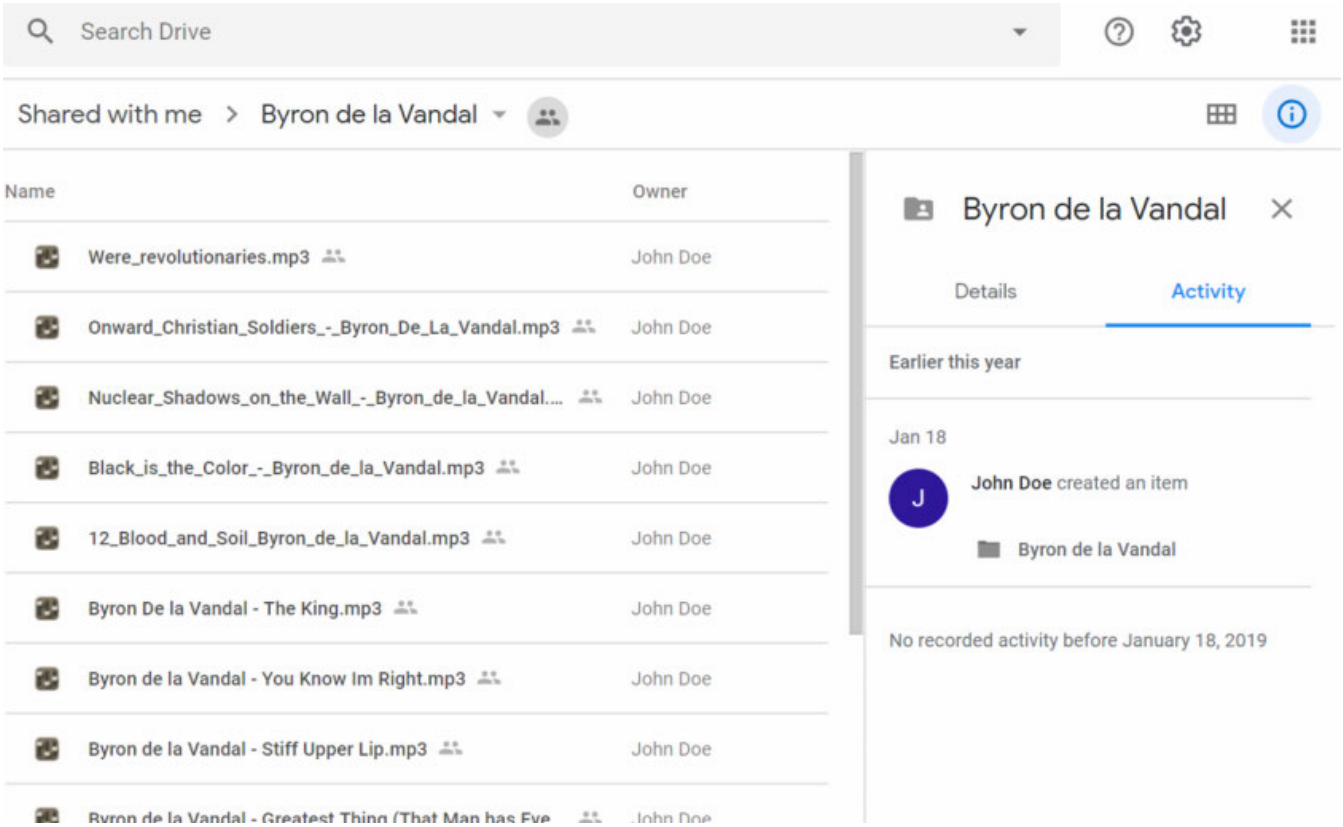
Much like AmIM member Riley Grisar, Richard shared a Google Drive folder of fascist folk songs by Byron De La Vandal with his fellow neo-Nazi's.



Also, Ricky's dad is a cop (Archive).

Activism

Ricky Golgart Jr. plastered neo-Nazi propaganda along the Truckee River, at the University of Nevada, Reno, and at the Nevada Supreme Court.

Identifying Richard

Ricky frequently posted about his airsoft guns and birdwatching on his Reddit account /u/alpha2224.

Digging through Facebook, we were able to find a "Richard" with photos of himself holding a King Arms P90 and a VegaForce Company SCAR-L, along with dozens of photos of birds taken at the Desert National Wildlife Refuge in Las Vegas, Nevada.

UNR and White Supremacy

The University of Nevada – Reno is no stranger to white supremacy. in 2017, 30,000 people signed a petition to expel Peter Cvjetanovic, an Identity Evropa member who chanted "Jews will not replace us" at the deadly Unite The Right Rally in Charlottesville, which former Identity Evropa leader Nathan Damigo helped organize.

US media and politicians have a history of criticizing the legitimacy of Russian elections and accusing their state of voter fraud.

Russia is capitalizing on the rising distrust in America's democratic institutions. They're doing this as a way of saying, "Look! You Americans accuse us of corruption, but it seems that your political class is crooked itself."
Pretty decent bantz IMO.

Well when the Democrat party has shown that they don't care about an election's legitimacy, and Hillary has been very hostile towards Russia, it makes sense that they would want to oversee it.

Hillary is hostile to Russia for a few more reasons other than their elections. She even tried to re-engage Russia when she was SOS with that infamous "reset" button.

Pretty sure it's not just Hillary who doesn't like Russia. It's the entire Western world.

Either way, jews are the ones being targeted. While the pedos are the worst offenders, at least the FBI is going after some jews.

Assad must be replaced, but not with another Assad. Only then will many great Syrians feel comfortable enough to return home to help rebuild their own country. These are the doctors, teachers, community leaders, etc. who are refugees in Jordan & elsewhere. They want to go home!
